

ACM Design Awarded the Griffin Award for Rehabilitation - 2015

Asheville, NC - Each year the Preservation Society of Asheville and Buncombe County presents the Griffin Awards for projects achieving the goals of historic preservation within our area. Various categories include: Restoration, Rehabilitation, Adaptive Re-Use, In-Fill Construction Within a Historic District or Traditional Neighborhood, Research, Publication & Education, Stewardship, and Preservation. This year, ACM Design was awarded with the Griffin Award for the Rehabilitation category for a recent renovation to a historic home in the Grove Park area of Asheville. ACM Design is a custom residential architecture and interior design firm in Asheville. For more information visit online at acmdesignarchitects.com or call 828.684.9884.
